

Pilgrim Hop

You put your hands in your hat
(pretend to put on a hat)
You wiggle them like that
You hop two steps to the left
And then two to the right!
Come on, it's time to go!
The Pilgrims dance just so!

Motions:

Pretend to put on a hat and wiggle your hands. Hop two steps to the left. Hop two steps to the right. Dance around while singing the last two lines.
